

Release of liability and assumption of risk:

I hereby waive, release and discharge any and all claims of damages for death, personal injury or property damage which I may have, or which may hereafter accrue to me, as a result of my participation in this walk event. The release of liability and assumption of risk is intended to discharge in advance the Modesto Rotary Club, their respective agents, their directors and employees, the walk staff and any and all volunteers, their representative successors, and assigns from and against any and all liability arising out of or connected in any way with my participation in this walk event, even though that liability may arise out of negligence or carelessness on the part of the persons or entities mentioned above. I further understand that serious accidents occasionally occur during walk events, and that participants in walk events occasionally sustain serious personal injuries as a consequence thereof. I attest and verify that I am physically fit and sufficiently trained to walk in this event and my physical condition has been verified by a licensed medical doctor. Knowing the risks of participating in up to a 3-mile walk event, I nevertheless hereby agree to assume those risks and to release and to hold harmless all persons or entities mentioned above who (through negligence or carelessness or otherwise) might be liable to me or my heirs or assigns for damages. It is further understood and agreed this waiver, release and assumption of risk is to be binding on my heirs and assigns.
